CERTIFICATION OF CPNI FILING (February 3, 2006)

1. Blackfoot Communications, Inc. ("BCI") (499 Filer ID 818046) is submitting this compliance certificate in response to the Public Notice issued by the FCC's Enforcement Bureau on January 30, 2006 (DA 06-223), pursuant to section 64.2009(e) of the Federal Communication Commission's rules.

2. I am the Senior Vice President and General Counsel, for BCI. I make this certification from my personal knowledge of the CPNI procedures and policies of BCI.

3. BCI expects to use CPNI for marketing purposes and has recently noticed customers under the "opt-out" provisions of the rules. BCI's use of CPNI is and will be done in strict compliance with the principles and requirements outlined in Subtitle U of the Commission's rules. OPERATING PROCEDURES STATEMENT

1. Customer account prominently displays “CPNI” so that Customer Sales and Service Representatives (CSSRs) can readily identify customers opting to restrict use of their CPNI. When calls are received by CSSRs from customers with this preferred treatment they ask for customer permission to access account information.

2. Customers are given an opportunity to “opt-out” of CPNI usage beginning with the install of service. Additionally, customers may “opt-out” at any time.

3. Notice regarding customer CPNI rights and BCI’s duty to protect CPNI is provided to all new and existing customers in the printed telephone directory. In addition, the notice is also printed once every two years as a message on the customer’s billing statement.

4. Employees are trained on the proper use and/or disclosure of CPNI. Additionally procedures are documented and readily available to all employees on the company’s internal website.

5. Access to CPNI data is limited to employees and/or entities with proper authorization as allowed under Commission rules. All employees and/or entities with such access operate under policies and/or contract requiring nondisclosure of confidential information.

6. All marketing campaigns and materials are reviewed by a supervisory panel. This will include any use of CPNI data used in any given marketing effort. Please note that as of this time BCI has not used CPNI data in this manner but the proper safeguards are in place should it be used.

7. Improper use or disclosure of CPNI is subject to BCI’s work rules and disciplinary policies as outlined in its policy manual. The policy manual is readily accessible by all employees.
